

## Supporting program

### High class IE expo conference, exhibitor presentations and Innovation Forum

Take the opportunity to communicate with the experts and key players face to face on the hot topics of the industry.

### Highlights of IE expo Conference 2018 (partial as of Dec.1, 2017)

#### Comprehensive sector

- IE expo Summit Forum & CSES Annual Meeting
- Technical-Scientific Conference Program by DWA and NERC
- University Challenge by DWA

#### Water sector

- Seminar on the Status and Trends of Third Party Environmental Monitoring Services
- 6<sup>th</sup> Engineering conference in Industrial Water Treatment Sector
- 2<sup>nd</sup> International conference on Sea Water Desalination and Membrane Technology

#### Air pollution control sector

- 5<sup>th</sup> Volatile Organic Compound (VOCs) Testing and Control Seminar
- 2<sup>nd</sup> Technology Forum of Industrial Dust and Low Emissions

#### Waste and recycling sector

- 5<sup>th</sup> Solid Waste and Resource Recovery Forum
- International Sanitation Technology and Equipment Forum
- IE expo China 2018 Biogas Forum
- International Cooperation in the fields of Bioenergy and Waste Management

#### Contaminated site remediation sector

- The 6<sup>th</sup> International Forum on Contaminated Site Remediation

## IE expo China 2018 Overview

### Discover the market and its opportunities at the No. 1 environmental show in Asia.

IE expo China 2018 will take place from May 3 - 5 in Shanghai New International Expo Centre. Find the latest and innovative environmental solutions and technologies in the sectors of water, waste, air and soil.

### Our highlights for 2018

- **Extended exhibition space:** now in twelve halls including co-located events and outdoor exhibition area with better orientation in the segments.
- **Key-players, joint pavilions and many specialized companies** from all sectors of the environmental market: Look for them in advance on our website.
- **Innovation pavilion:** For the 4th time this pavilion with included forum wants to connect interested investors with innovators. Discover the innovations.
- **Top-class supporting program:** Increase your knowledge and meet the experts.
- **Matchmaking services:** Contact us to bridge your demands with appropriate suppliers.

IE expo China 2017 once again demonstrated its flagship role for the Asian region. Increasing number of participants underlines its market status in Asia's environmental industry. It also reflects the demand for environmental technology which is still on the rise.

- **100,000** square meters and three additional exhibition halls
- **1,637** exhibitors (+ 26 percent)
- **55,000** visitors (+ 28 percent)
