IE expo 2015 continues to expand

The next edition of Asia's leading trade fair for environmental technology is to be held from May 6 to 8, 2015. In order to cater for strong demand, the space available for the exhibition is being extended by one more hall. IE expo 2015 will therefore be taking place in a total of five exhibition halls at the Shanghai New International Expo Centre (SNIEC), and covering 60,000 square meters of floor space.

Many big names in the sector have already signed up to take part in the show. They include: Aerzen International Trading (Shanghai), Avian, Bulk Handling Systems (BHS), Calgon Carbon (Suzhou), Dürr Systems GmbH, HACH, Heraeus Noblelight GmbH, Huber Environmental Technology (Taicang), JWC Environmental, National Recovery Technologies, NETZSCH (LANZHOU) PUMPS, Nordic Water Products (Beijing), REHAU, SANWA, TOMRA Sorting Recycling and Zenit Pumps (Suzhou).

In 2014 IE expo set a new record for space, at 50,000 square meters (a rise of 27 percent on the previous year) and all the four halls it occupied were fully booked. In total 880 exhibitors and 38,097 visitors took part in that event.

For application documents for prospective exhibitors, plus additional information on the show, go to: www.ie-expo.com.

About IE expo

IE expo – presented by IFAT CHINA + EPTEE + CWS – is Asia's leading trade fair for environmental technology. The next edition will be taking place at the Shanghai New International Expo Centre (SNIEC) from May 6 to 8, 2015. The trade show covers the product categories of water, sewage, refuse disposal, recycling, air pollution control and energy efficiency. The organizer of the event is MMI-ZM Trade Fairs Co. Ltd – a joint venture between MMI (Shanghai) Co. Ltd. and Shanghai ZM International Exhibition Co.

Ltd. IE expo 2014 attracted 880 exhibitors from 23 countries and 38,097 visitors; the show occupied around 50,000 square meters of exhibition space.

Messe München International

Messe München International is one of the world's leading trade show companies. In Munich alone it organizes around 40 trade shows for capital and consumer goods, and key high tech industries. Each year more than 30,000 exhibitors and around two million visitors take part in the events held at the Messe München exhibition center, the ICM – International Congress Center München, and in the MOC Veranstaltungszentrum München. The leading international trade fairs of Messe München International are all independently audited. In addition, Messe München International organizes trade shows in China, India, Turkey and South Africa. With a combination of affiliates abroad – in Europe, Asia and in Africa – and over 60 foreign representatives actively serving over 100 countries, Messe München International has a worldwide business network. The Group also takes a pioneering role as regards sustainability: It is the first trade-fair company to be awarded energy-efficiency certification from the technical inspection authorities TÜV SÜD.
