Notice on IE expo China 2022

Dear exhibitors, visitors and partners,

In view of the current epidemic prevention and control measures taken by the Shanghai Municipal Government, and in order to avoid unnecessary financial losses for exhibitors, after consultation with relevant departments, we regret that we have to suspend IE expo China 2022, which was originally scheduled to be held at Shanghai New International Expo Centre from October 19 to 21, 2022.

In order to meet the industry demand, we will combine IE expo China 2022's exhibition and program with IE expo Shenzhen on November 15-17, 2022.

We apologize for all inconvenience caused. Thanks for all your kind understanding and continuous support! We will continue to do our best to provide with you a safe and high quality environmental protection trade fair.

Your sincerely,

IE expo project team
